BUCAR POR PACIENTE, FILTRO PARA CLINICA, BOTON DE REASIGNAR

The screenshot shows a dark-themed application window titled "Gestión de Turnos - Reasignación entre Clínicas". At the top, there is a search/filter bar with fields for "Buscar por paciente:" (containing "juan"), "Filtrar por clínica:" (set to "Todas"), and "Filtrar por fecha:" (set to "YYYY/MM/DD"). Below the search bar is a section titled "Lista de Turnos" (Appointment List) containing three entries:

Paciente	Clínica	Fecha	Hora	Opciones
Juan Pérez	Clinica Norte	2025-11-15	08:00	<button>Reasignar</button>
Ana López	Clinica Norte	2025-11-15	09:00	<button>Reasignar</button>
Carlos Ramirez	Clinica Central	2025-11-15	10:00	<button>Reasignar</button>

REASIGNACION DE PACIENTE, MOTIVO, FECHA

The screenshot shows a continuation of the application window. At the top, there is a search/filter bar with "juan" entered in the "Buscar por paciente:" field. Below the search bar is a section titled "Historial de Reasignaciones del Paciente" (Patient Reschedule History) containing two entries:

Resignación ID:	Fecha del turno:	Motivo:	Cambio realizado:
2	2025-11-15	De: Clínica Sur → Clínica Norte	08:05:29
1	2025-11-15	De: Clínica Central → Clínica Sur	08:01:40

Below the history section is another "Lista de Turnos" (Appointment List) section, which is identical to the one shown in the first screenshot.
